Early Learning Center

Welcome

Dear Family,

Thank you for your interest in Snoqualmie Ridge Early Learning Center. Our center treasures each child and is dedicated to facilitating their development into well rounded students and tomorrow's leaders.

I encourage you to review the materials enclosed in this packet and then visit our school. The tour will give you a direct look at our program structure and curriculum focus.

Here is how to begin the application process:

1. Return the completed application, requested program schedule and a \$25.00 application fee, via mail or in person.
2. If we have a waiting list for your child's age group, your child will be added to the list according to the schedule you requested. We will inform you no later than two weeks ahead of time when a spot for your child is available. Because of the volume of applications we may receive at different times during the year, you will not receive a call from us until a spot is available. But please note, you are welcome to call at any time for an update on your status.
3. When you have received confirmation of an available spot, we will meet to discuss how we can support the educational goals you have for your child. Our primary objective in the enrollment process is to provide you with information about our school, while learning as much as possible about your child.

Once these steps are completed, a non-refundable registration fee of \$100 and a non-refundable \$250 tuition deposit is due to hold your spot. The tuition deposit will be applied to your first month's tuition cost.

Please do not hesitate to give us a call if you have any questions or concerns. I look forward to meeting and getting to know you and your child.

On behalf of the staff and administrative team, welcome to Snoqualmie Ridge Early Learning Center!

Respectfully,

Lynn Staude
